GOOD TO KNOW

The Little Things That Matter

WEATHER	Mid-October is the tail of the dry season: typically 24–32°C, sunny, with an occasional late-afternoon shower.
WHAT TO WEAR	Light linen and breathable cottons by day. Smart-casual for dinners, something a touch more special for Sunday evening.

WHAT TO BRING	Sunglasses, sun protection, a light layer for the early flight home, personal medication, and ID matching your tickets.
LOCAL TIME	Lombok is on WITA, one hour ahead of Yogyakarta. All Lombok times in this guide are local.
LOCAL TIPS	Some smaller venues prefer cash. Raja can arrange anything you need, from a quiet table to a change of plan.

The Best Is Still Unwritten.

Here's to fifteen wonderful years, and everything still to come.

Happy 15th Anniversary.

With warmest wishes,

Werkudara Group

CREATING TRUE VALUE.
